

What is the author's **PURPOSE**?

In this activity, you will study a representation, and identify the author's purpose.

Instructions

In pairs, spend some time studying the representation you have been given

1. What is this representation about?
2. What do you think the author wants you to focus on?
3. What are the features that tell you this?
4. Is the author trying to convince you of something or see it from a particular perspective?
5. If so, how could you verify the information presented?
